Federal Communications Commission
Office of Secretary

COMMENTS

Capstar TX Limited Partnership ("Petitioner"), licensee of Station WRDU(FM), Wilson, North Carolina, by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making*, ("NPRM"), DA 05-714, released March 18, 2005. In response to the petition, the NPRM proposes the reallocation of Channel 291C0 from Wilson, North Carolina to Knightdale, North Carolina, as that community's first local transmission service, and the modification of the license for Station WRDU(FM), accordingly. The proposed reallocation will not deprive Knightdale of local service because WGTM(AM), WLLY(FM), WVOT(AM) and WAJC(FM) would remain licensed to the community.

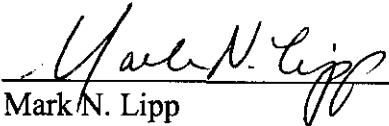

The Petitioner hereby reaffirms its interest in providing a first local transmission service to Knightdale, North Carolina, as stated in the petition. If the petition is granted, Petitioner will file an application for Channel 291C0 at Knightdale, North Carolina, and will construct the facilities if its application is granted.

Accordingly, Capstar TX Limited Partnership urges the Commission to grant the petition.
